RIGA – EUROPEAN CAPITAL OF CULTURE

During your stay in Riga you are invited to enjoy events organized within the framework of Riga European Capital of Culture 2014.

EUROPEAN CAPITAL OF CULTURE

We suggest:

International exposition of contemporary art 'In Search of the Horizon'

The international exhibition 'In Search of the Horizon' centers on exploring nature of art determined by its essential striving for the ideal and its drive to seek the crossroads of the unknown. The exhibition assembles from seven sections structurally creating a new ideal world, which also reflects one of the search algorithms complete with the joy of discovery, attendant errors, and short-lived illusions of harmony.

Thematic division: Thirst for the Ocean

Location: The Latvian Railway History Museum

This exposition is very close to the Venue.

International exhibition 'Amber in Contemporary Designer Jewellery'

The idea to inspire the international exhibition 'Amber in Contemporary Designer Jewellery' was to focus amber as material of conceptual and modern, professionally created adornment. Participants of the exhibition are Latvian and foreign designers – contemporary jewellers from the states along the historic Amber Route – Russia, Estonia, Lithuania, Poland, Czech Republic, Austria, Slovenia, Hungary, and Italy.

Thematic division: Amber Vein

Location: Art gallery 'Putti' Mārstaļu street 16, Old Riga
